Hidato can be solved using 100 percent logic and requires no math or guesswork. You need only careful thought and determination to reveal the secret!

Each volume of the *Hidato fun* series presents 203 brand-new Hidato® puzzles at five difficulty levels for hours and hours of fun and entertainment. New volumes will be available on the first of every even month (Feb., April, June, Aug., Oct. and Dec.).

Hidato is featured worldwide in magazines, newspapers, books, online, mobile and more.

Hidato helps develop logic skills. The Davidson Institute of Science Education in Israel, which is the educational arm of the world-renown Weizmann Institute of Science, recently granted Hidato puzzles to outstanding kids participating in their math and science online programs.
