Peterbilt: The Class of the Industry Henry Rasmussen
Famed automotive photographer Henry Rasmussen has trained his camera on beautifully restored Peterbilts, fancy show trucks, and big rigs at work. The legend of Peterbilt is featured in a photographic essay of more than 80 color images and a gallery of nostalgic black-and-white photographs, showing early Fageol trucks, one of the oldest surviving original Peterbilts of 1939, and a host of other trucks built through 1988. Included is a list of production figures and model designations for all Peterbilts 1939-1988.
