YSL: Prêt-à-Porter: Coloring, Activity, and Inspiration Book Glenat
Celebrating 40 years of glamorous fashion and design, this officially authorized coloring book and sketchbook is based on the drawings and works of Yves Saint Laurent (1936–2008). This playful and unique memento allows for a behind-the-scenes look at the creative process of the YSL brand, as well as the chance for the reader to reimagine these famous designs.
Yves Saint Laurent was more than just a stylist: He was a genius designer who reinvented the world of haute couture. From the beginning, YSL wanted his clothing to be accessible to women all over the world. His "Rive Gauche" collection was the first-ever ready-to-wear collection made by a haute couture designer. This collection became an iconic one that bridged the gap between haute couture and the clothes that women could actually wear.
Prêt-à-Porter explores the behind-the-scenes process of this collection and includes original drawings and sketches by Yves Saint Laurent himself. The book is a unique collection of fashion inspiration and interactive design that allows readers to discover Yves Saint Laurent's design methods in a coloring book that is both stylish and fun.
