Up-to-date with the NCLEX-RN® 2016 Test Plan

Your complete roadmap to NCLEX-RN® success!

About 6,000 questions in the text and online at Davis*Plus* put you on the path to exam success. Alternate-format questions, rationales and test-taking tips prepare you for the actual exam.

Three distinct sections *plus* questions online at Davis*Plus*

Section I is an orientation and review of test-taking strategies with guidance for international and repeat test-takers.

Section II consists of 47 practice tests over six units, all with NCLEX descriptors. Each chapter corresponds to one of the exam's major subject areas and also features specialized, stand-alone tests for pharmacology, management of care, and cultural diversity.

Section III is two comprehensive exams that test mastery of all subject areas covered on the NCLEX exam.

An access code inside new printed texts unlocks the questions online at Davis*Plus*, with answers and rationales for correct and incorrect responses. You can even design your own exams to test your knowledge and skills based on specific content areas, client need categories, cognitive level, and phases of the nursing process.

Awesome NCLEX® Review Book! *"I have purchased a lot of NCLEX Review Books, but this book by far has the most challenging questions. If you can work through this book, answer the questions, and read the rationales, you should have no problem passing NCLEX."*

Definitely recommend this to pass your NCLEX®! *"I purchased this book at the insistence of my block 4 instructor. I only used this book as preparation for my NCLEX. I passed it after only 76 questions. This book has higher level questions that require more advanced nursing school knowledge. A must for nursing school and NCLEX!!!!"*

"I've used Saunders, Kaplan, and ATI throughout nursing school and this book has the most challenging questions I've ever experienced. I passed NCLEX by solely using this book for preparation after graduation… All in all I highly recommend this book! Worth every penny!"
