Exodus: A Journey Through Divorce Debbie Mendoza
Set in an exotic, tropical location, Exodus tells the story of divorce that is true no matter where you live in the world! Debbie Mendoza faced this challenge after twenty four years of marriage, and lived to write about it. She addresses the different stages, emotions, and issues, of divorce even though that are universal. These writings were done in London, Oklahoma, and, Belize. This was her process, and she shares it with you by opening up the pages of the journals she wrote in her pain, and in her joy. This is no ordinary book about the stages of divorce.It is an intimate look into what it is like for a Christian woman clinging to her belief in God, while letting go of everything that had been normal for her for over two decades. This book is raw and unsettling, and it takes you from despair to hope; from being frantic to gaining peace. It is a beautiful story of God’s redemption.
