Planting Design Illustrated Gang Chen

One of the most significant books on Landscaping!

This is one of the most comprehensive books on Planting Design. It fills in the blank in this field and introduces poetry, painting and symbolism into Planting Design. It covers in detail the two major systems in Planting Design: Formal Planting Design and Naturalistic Planting Design. It has numerous line drawings and photos to illustrate the Planting Design concepts and principles. Through in-depth discussions of historical precedents and practical case studies, it uncovers the fundamental design principles and concepts as well as underpinning philosophy for Planting Design. It is an indispensable reference book for Landscape Architecture students, designers, architects, urban planners and ordinary garden lovers.
