Positive Thinking: How To Enrich Your Life With The Power Of Positive Thinking: Power Of Positive Thinking (Positive Thinking Series) (Volume 2) Henry Rogers
POSITIVE THINKING EXPOSED This book has been written for people like you, people who are interested in discovering just how the mind is structured, its functions and how it can help them to get better results, faster, in all areas of their life. It is written for people who have had either little or no previous exposure to how the mind functions, or those who may have attended a brief course and want to delve a little more deeply into the mind functions. The power of the human mind is considerable even if we do not fully utilize it regularly. Your mind however can actively turn against you if you are not careful because the majority of people are bombarded with negative thoughts and self-doubts every single day. You may not even realise that much of what you think and say is actually filled with negativity and it is only when you become conscious of those random thought processes, that you can make some headway towards changing. The power of positive thinking is more powerful than you may imagine. Discover exactly how powerful it is and how it can positively impact your life by reading this book. This book is part of Henry Roger's Positive Thinking Series.
