**Male Violence**
Most human violence is carried out by men. Male violence could even be described as the major source of human suffering. Yet it is so deep-rooted in biology and culture that is often seems impossible to combat. *Male Violence* examines this issue from a wide range of perspectives. The contributors discuss its origins in childhood, its adult forms within and outside the family, and a variety of theoretical approaches that can help us understand it. In doing so, *Male Violence* raises fundamental questions about values which are accepted and unchallenged by the majority of people living in the modern world.
