Once in a Lifetime (The Harringtons) Gwynne Forster

With a young daughter to support, recently divorced Alexis Stevenson jumps at the chance to become household manager for wealthy businessman Telford Harrington and his two brothers. Though she knows it won't be easy turning their bachelor-pad mansion into a home, she is determined to handle any obstacles, while maintaining a separate life for herself and her daughter. But Alexis isn't at all ready for the red-hot chemistry crackling between her and Telford—or the fact that she's suddenly caught in a maze of unexpected secrets and deep mistrust. But if she and Telford find their way through it—together—can they both embrace the love they so deeply desire?
