Dialogues with the Angels

Tricia McCannon

Dialogues with the Angels Tricia McCannon
Dialogues with the Angels is one of those rare, enchanting 'bridge books' in the genre of Dan Millman's Way of the Peaceful Warrior, James Redfield's Celestine Prophecy and Richard Bach's Illusions. This extraordinary adventure tells the story of a young woman's awakening gifts of the Spirit in her spiritual search for truth. In its pages we enter the fascinating world of angels and masters, saints and fairies, learning techniques for lucid dreaming, soul travel and how to work with both Angels and Shamanic Spirit Helpers. With an authenticity that is both selfless and refreshingly honest, she manages to bridge the worlds between deep Christian mysticism, and the return of ancient wisdom, opening our eyes to an illuminated life. In a story that has us poised on the edge of our seats, she conveys the esoteric secrets of the universe with such accessible and human familiarity that we find ourselves laughing and crying, and hoping that the book will never end. A must read for anyone who is has ever wanted to "walk between the worlds" or who is opening to their own spiritual awareness!
