Lucifer Alexander Kosoris
The angels at God's office complex regularly turn out amazing projects. They're hard at work on their greatest project yet - the universe - when Lucifer, a lowly angel toiling away on the development of human personality, is summoned by God. God offers Lucifer a big promotion; all Lucifer has to do to get it is rebel against Him. Dubious about having to challenge the all-seeing, all-knowing Creator, Lucifer finds himself butting heads with the other angels in order to see his mission through. Things seem to be coming together for Lucifer's advancement until God moves up the universe's release date before anything is ready! Everything spirals out of control as Lucifer attempts to sort it all out. Is there hope for this reluctant angel?
