Reader's Digest World Atlas Reader's Digest
An atlas is more than just a series of maps. It is a comprehensive guide to the world in which we live, and provides insights into the innumerable unique features of our world - from politics to vegetation zones, from population distribution to heritage sites. Continuing a 52-year tradition as one of the leading producers of atlases and expertly edited knowledge about our planet, this stunning new edition of the Reader's Digest World Atlas is an indispensable and fascinating reference. In an ever-changing world, we all need a reliable resource to understand where news is happening, where the Earth's natural resources are found, where people live and work, what different landscapes look like and what forces shape our world. With this handsome atlas in your hands, you'll discover so many new things. And you'll do so faster, and more enjoyably, and with a level of complete trust that only Reader's Digest can provide. -224 maps created using state-of-the-art digital mapping techniques. -Vibrant 3-D landscape modelling combined with a large-page format offers an unparalleled view of our planet. -Updated political maps and a new section of maps on the Earth's vegetation zones. -Thematic features explain the farthest reaches of space; the formation of planet Earth; the world's oceans; and the workings of the weather. -A feature on the art of mapmaking explains the ways in which projections of the spherical surface of the Earth are represented on a flat surface and how cartographers layer data and integrate those layers to create maps. -Comprehensive index of more than 100,000 entries helps you to quickly find the largest cities, the smallest villages, the biggest deserts, the highest mountains. -An A to Z gazetteer of all the world's 242 countries and autonomous territories features population figures, official languages, flags, capital cities and major resources and industries. -Stunning photographs provide an insight into the landscapes, coastlines, waterways and cityscapes of countries around the world.

From reader reviews:

Calvin Fischer:

People live in this new day time of lifestyle always aim to and must have the spare time or they will get large amount of stress from both day to day life and work. So , once we ask do people have free time, we will say absolutely indeed. People is human not a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, the book you have read is actually Reader's Digest World Atlas.

Rosemary Taylor:

This Reader's Digest World Atlas is new way for you who has intense curiosity to look for some information given it relief your hunger associated with. Getting deeper you on it getting knowledge more you know otherwise you who still having bit of digest in reading this Reader's Digest World Atlas can be the light food to suit your needs because the information inside this specific book is easy to get through anyone. These books develop itself in the form that is certainly reachable by anyone, yes I mean in the e-book contact form. People who think that in e-book form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a e-book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the idea! Just read this e-book type for your better life and also knowledge.

Tommy Cowen:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Reader's Digest World Atlas can make you sense more interested to read.

Dennis Haney:

Some individuals said that they feel weary when they reading a book. They are directly felt the item when they get a half elements of the book. You can choose the particular book Reader's Digest World Atlas to make your own personal reading is interesting. Your skill of reading talent is developing when you including reading. Try to choose very simple book to make you enjoy to learn it and mingle the idea about book and looking at especially. It is to be first opinion for you to like to wide open a book and read it. Beside that the guide Reader's Digest World Atlas can to be your new friend when you're feel alone and confuse using what must you're doing of that time.
