The Book of Life: A Novel (All Souls Trilogy)

Deborah Harkness

The Book of Life: A Novel (All Souls Trilogy) Deborah Harkness
The highly anticipated finale to the #1 *New York Times* bestselling trilogy that began with *A Discovery of Witches*

After traveling through time in *Shadow of Night*, the second book in Deborah Harkness's enchanting series, historian and witch Diana Bishop and vampire scientist Matthew Clairmont return to the present to face new crises and old enemies. At Matthew's ancestral home at Sept-Tours, they reunite with the cast of characters from *A Discovery of Witches*—with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the trilogy's final volume, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In ancestral homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to the palaces of Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

With more than one million copies sold in the United States and appearing in thirty-eight foreign editions and translations, *A Discovery of Witches* and *Shadow of Night* have landed on all of the major bestseller lists and garnered rave reviews from countless publications. Eagerly awaited by Harkness's legion of fans, *The Book of Life* brings this superbly written series to a deeply satisfying close.
