The Letter from Death Lillian Moats
Lillian Moats' latest book, *The Letter from Death*, features a foreword by Howard Zinn and 20 evocative full-page illustrations by David Moats. This slim volume casts a bright light on how our unexamined fear of death has, throughout history, misdirected our energies--away from the real and immediate challenges of this world and toward unnecessary war, injustice and self-destruction. Death's philosophical essay, addressed to the whole of humanity, is as poignant as it is polemical. *The Letter from Death* is both stylistically daring and politically charged, and will challenge even the most open-minded readers to re-examine the basis of their beliefs about death, life and "human nature."
