Angels in Pink: Holly's Story (Lurlene McDaniel (Mass Market)) Lurlene McDaniel
Pink Angels and best friends Holly, Raina, and Kathleen have been through a lot over the past year. The summer before their senior year promises to be busy but fun, as Holly and Raina return to their full-time volunteer jobs at the hospital and Kathleen, who needs the money, works at the hospital gift shop. Of course, Raina and Kathleen will be spending as much time as possible with their boyfriends, Hunter and Carson.

Holly is happy for her friends, but she can't help feeling a little left out when hanging out with the two couples. She does finally have a boy interested in her, but the e-mails from her secret admirer, Shy Boy, have recently stopped coming. What has she done wrong? Will she ever meet her mystery guy in person? But Holly's world is forever changed when tragedy strikes close to home. It's not fair that the most loving and giving person she knows is the victim of a random crime. She, Raina, and Kathleen will need each other now more than ever.
