Louis Moreau Gottschalk (Music in American Life)

S. Frederick Starr

Louis Moreau Gottschalk (Music in American Life) S. Frederick Starr
"Innovating American composer, virtuoso pianist, and swashbuckling Romantic hero, Louis Moreau Gottschalk produced immensely popular works combining the French, Hispanic, and African influences of his native New Orleans. Many of his syncopated compositions anticipated ragtime by half a century. S. Frederick Starr's biography, originally published as "Bamboula!", is the most extensive chronicle available of Gottschalk's eventful life. Starr examines Gottshalk's music, his frenetic life on the road, his virtuosity as a performer, his effect on his audiences, and the scandals surrounding his romantic dalliances. He also reveals a generous and compassionate man who sponsored a host of young musicians and provided financial support for his many siblings."
