No Justice in Jamaica: How the Jamaican Judicial System Destroyed My Life and My Business - and How It Can Happen to You (black and white interior) Dwight Clacken
This is the story of the travels and travails of an honest business man and his wife through the complex, inefficient and often times corrupt Jamaican Judicial System as they seek equitable redress against the machinations of venal and fraudulent business partners. The author details in graphic reality the administrative incompetence built into our Courts Systems, the institutional negligence of a crumbling financial structure and the outright corruption of the Professionals in the system, all of which combine to prevent honest Petitioners to the Court from obtaining Justice, even Petitioners with the ability to pay for legal representation. The author's thesis that the society is corrupt and that the weaknesses of the Judicial System support that corruption is underpinned with references and extracts from letters to the Press and media articles. The book is a damning indictment on a failed judicial institution and in a Society which is failing its citizens politically and administratively.
