Brill's Companion to Leo Strauss' Writings on Classical Political Thought (Brill's Companions to Classical Reception)

Brill's Companion to Leo Strauss Writings on Classical Political Thought offers clear, accessible essays to assist a new generation of readers in their introduction to Strauss writings on the ancients, and to deepen the understanding of those who have already benefitted from his work. Strauss rediscovered esoteric writing. His careful explications of works by classical thinkers of Socratic political philosophy, pre-Socratic philosophers, and of poets tragic and comic have therefore opened those works up in a way that had been lost for centuries. Yet Strauss writings, especially his later works, make considerable demands on any reader. These essays are written by scholars who bring to bear on their reading of Strauss many years of study."
