Bumbling Into Body Hair: A Transsexual's Memoir Everett Maroon
A poignant and sincere memoir about a klutz's sex change, Bumbling into Body Hair shows how a sense of humor, along with true love, can triumph over the magnitude of the life changes one experiences transitioning. Maroon found himself faced with bathroom drama, hair disasters, resurrected breasts, and crippling self-doubt, but his acceptance of being a transman can be an inspiration to anyone, of any gender.
