Catching Cameron: A Love and Football Novel Julie Brannagh

Julie Brannagh's sexy, charming Love and Football series continues …

Star sports reporter Cameron Ondine has one firm rule: she does not date football players. Ever. She tangled with one years ago, and it did not end well. Been there, done that.

But when Cameron comes face-to-face with the very man who shattered her heart—on camera, no less—her world is upended for a second time by recklessly handsome Seattle Shark Zach Anderson.

Zach has never been able to forget the gorgeous blonde who stole his breath away when he was still just a rookie. They've managed to give each other a wide berth for years, but when their jobs suddenly bring them together again and again, he knows he has to face his past once and for all.

Because as they spend more time together, he becomes less focused on the action on the field and more concerned with catching Cameron.
