I Came, I Saw, I Coffeed Online Dating: Why Didn't He Call Me Back? What Goes Through a Man’s Mind on the First Meet? Impressions from a Man Who Had Over 350 First Meetups. Have you ever wondered what goes through a man’s mind when you first meet? “Why didn’t he ask me out again? What did he think of me?” “Did I say the wrong thing?” I was newly singled after an unwanted divorce and retired early, so I had time on my hands to find a girlfriend. I didn’t want to be alone, and hadn’t dated in years. I was eager to meet a woman, and became discouraged trying to find someone to be your love, your best trusted friend, a confidant and companion -- a very difficult task. Seeing my low spirits to get on with searching to find a woman, a good friend simply told me dating is “Just a game of numbers -- the more ladies you meet, the better decision you’ll make.” So, I ventured into the field of online dating and over three years met over 350 ladies. Many women asked me what goes through a man’s mind when he meets a woman. In this book I spell out my thoughts about the women I met, her walk, her appearance, demeanor, clothes, habits, figure, etc. in detail.
