This is a true story of a young boy growing up in a Christian single family home with six siblings. The strong faith of his mother in King Jesus to meet their every need brought the supernatural power of God in an unusual way into their lives and their daily activities. After witnessing the miraculous power of the King time and time again and his faithfulness towards them, he was compelled to walk in the footsteps of this faithful King during the course of his earthly life. Presently, he is ministering in one of the largest churches in New York City to thousands of individuals and encourages them to entrust their lives to King Jesus. He will not fail them.
