Operation: Firebrand-Deliverance (Operation: Firebrand Trilogy #3) Jefferson Scott
For some desperate North Koreans, the dream of freedom comes at a steep cost--possible execution or life in a labor camp. Missionaries try to steer the group over the border of Mongolia, but Chinese informers and North Korean agents surround them. When news of the refugees' plight reaches government officials, China paralyzes relief efforts by its resolute inaction. Now, Team Firebrand gets involved to try to deliver the harassed individuals from certain doom. Can the Firebrand members rescue the refugees. . .or will this crucible of danger prove too difficult in a land that God has seemingly forsaken? This may be fiction, but Team Firebrand and its involvement in a sensitive North Korean rescue are as compelling as tonight's news.
