The Picts (The Peoples of Europe)

Benjamin Hudson

The Picts (The Peoples of Europe) Benjamin Hudson

The Picts is a survey of the historical and cultural developments in northern Britain between AD 300 and AD 900. Discarding the popular view of the Picts as savages, they are revealed to have been politically successful and culturally adaptive members of the medieval European world.

- Re-interprets our definition of ‘Pict’ and provides a vivid depiction of their political and military organization
- Offers an up-to-date overview of Pictish life within the environment of northern Britain
- Explains how art such as the ‘symbol stones’ are historical records as well as evidence of creative inspiration.
- Draws on a range of transnational and comparative scholarship to place the Picts in their European context
