A Year in the Allotment: A Beginner's Guide to Losing the Plot Anne Brooke
What about having an allotment? So my husband asked me one day when I was innocently opening the wine and planning our weekend. The shock of the question made me blink and of course I laughed away the very idea: too much effort; not enough time; and besides we don’t know anything about allotments. All well and good then, and I thought that was that, but strangely enough the idea kept niggling away and resurfacing on various occasions. Then a mere couple of months later, my objections were somehow swept aside by his enthusiasm and we found ourselves the proud and very nervous owners of an allotment. With not a clue what to do with it. This is the story of our first year as allotment beginners and how we survived it. And even came to love it.
