Treasured Chests

Encyclopedia of Antique Trunks-THE book for antique trunks, on CD! Version 2.0 Treasured Chests VERSION 2 represents 44 years of research from thousands of sources. From our 1972 beginning we have saved everything we could find about antique trunks into a huge collection of materials. If printed out would result in thousands of pages. The book is very easy to use, just insert it into the CD/DVD drive of your Windows® computer. Nothing is loaded onto your computer; the program runs completely from the disc with no security worries. The program has its own browser and operates much as regular Web browsers. There are back/forward controls, a powerful search facility, printing capabilities and much more. Included in the book are thousands of photos, diagrams, trunk makers' labels, lithographs, facts, addresses, dates, patents; we've even included things we hope you'll find as humorous and interesting. The newly added time line of trunk styles contains hundreds of dated ads, photos and other facts that will help you identify and date your antique trunk.The section on trunk makers alone contains references to more than 13,000 entities associated with antique trunks. This information contains names of makers, manufacturers, sellers etc. along with their addresses and corresponding years at that address. This information can help you determine the age of your trunk, especially if the trunk contains a maker's label. If you want to see if your family had anything to do with making antique trunks or selling them then many list proprietors, owners, officers; some entities even have employee lists. All this information goes back as far as the 1700s, from all over the world. Many patents from the US and British patent databases are included, along with associated drawings. Trunks that belonged to celebrities like Isaac Hayes, Marilyn Monroe, Judy Holliday and Bela Lugosi are featured. Descriptions of trunk styles, parts, hardware are given. Several trunk maker catalogues are included from such companies as Stallman, Everlast, even Montgomery Wards.
