Indian Wisdom and Its Guiding Sherry Hansen Steiger, Brad Steiger
There is an enormous amount of archetypal power and energy to be gained from an exploration of American Indian medicine.These ancient techniques of medicine power speak to us today as they did in the past, and they open the door to a more productive and empowered future. The focus of this book is on the empowerment of the individual reader. Personal exercises are included which allow the reader to go deep within and find the balance and strength of the wise ones, so desperately needed in our world of separation and discord.
