I think comic strips can enlighten as well as entertain. Adolescence is a very funny time, except when you're in it. Many teens feel alone in their struggles; I want to show them that adolescence may be scary but it isn't fatal. Finding the humor amid the horror is helpful."
Luann DeGroot is a 16 year old girl who's full of spirited personality-and agonizing confusion.

Like all teens, she's happy if she can stumble through a day without totally embarrassing herself. She lives with typical parents and an annoying older brother. Luann and her best buds, Bernice and Delta, along with a lively cast of characters from Pitts School, struggle with the euphoric highs and devastating lows that torment the life of a contemporary teen. From small events (a pop quiz) to large (a daring fire rescue), *Luann 3* delivers the kind of poignant, honest, amusing stories that have made *Luann* a reader favorite for 21 years.

Luann is featured in 400 newspapers worldwide, and LuannsRoom.com receives 80,000 hits a day. *Luann* consistently ranks in the top five in newspaper surveys and is often number one with female readers. *Luann, the Musical*, from Pioneer Drama, has been performed by hundreds of theater groups across the country.
