Skate the World: Photographing One World of Skateboarding Jonathan Mehring
Hit the streets with 200 exhilarating photographs of the world's greatest professional skateboarders in action. In this dynamic collection, award-winning photographer Jonathan Mehring takes us from New York to Hong Kong to Istanbul and beyond as he sets out to capture the heart and soul of skate culture on six continents. Featuring stars like Tony Hawk, Nyjah Huston, and Eric Koston, Mehring's images have been published in top skateboarding magazines, and ESPN named him one of the sport's ten most influential people. Now, in his first book, Mehring invites us along on his exhilarating photo adventures across six continents.

By capturing these experiences on camera and including complementary images contributed by other top skate photographers, Mehring presents an exciting and artful look at skate culture around the world. With an adrenaline rush on every page, this book celebrates the joy of skateboarding and its power to inspire young people to overcome obstacles—on the board and off.

From reader reviews:

Angela Gagne:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each book has different aim as well as goal; it means that publication has different type. Some people really feel enjoy to spend their time to read a book. They are reading whatever they take because their hobby will be reading a book. What about the person who don't like reading a book? Sometime, person feel need book when they found difficult problem or even exercise. Well, probably you will want this Skate the World: Photographing One World of Skateboarding.

Patrick Richards:

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Skate the World: Photographing One World of Skateboarding.

Marsha Bridges:

This Skate the World: Photographing One World of Skateboarding is great book for you because the content that is certainly full of information for you who else always deal with world and possess to make decision every minute. This book reveal it details accurately using great arrange word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having Skate the World: Photographing One World of Skateboarding in your hand like obtaining the world in your arm, info in it is not ridiculous one particular. We can say that no guide that offer you world inside ten or fifteen small right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt that?

Jose Crawford:

As we know that book is very important thing to add our understanding for everything. By a publication we can know everything you want. A book is a set of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This reserve Skate the World: Photographing One World of Skateboarding was filled with regards to science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like now,

many ways to get book you wanted.
