The Big Book of Little Stories, Volume 1: By Biggest Little Stories (TM) Shelby Schena
Biggest Little Stories™ turns children's imaginative, made-up stories into fun animated videos. Volume One of The BIG Book of Little Stories is a collection of seven stories told by kids. Children's imaginations take us into a world with purple unicorns, wizards, and dragons. We spend a day at the beach with Laila, fly into outer space with monkeys, and run into big bad wolves... who turn out to be pretty friendly in the end. Biggest Little Stories™ started when Shelby illustrated one of her nephew's hilarious and creative stories (The Big Bad Wolves by Blake, age 3). It was a fun and unique way to express his story through animation. We realized this would be a great opportunity for all children to share their fun and creative stories with the world. Our mission is to capture the imaginations of children and bring their playtime stories to life, so they can be shared and enjoyed by parents and children everywhere. Hear children tell their stories at www.BiggestLittleStories.com/littletheater
