French Country Wall Calendar 2014 Linda Dannenberg
Exceptionally designed and masterfully photographed, this wall calendar will add a brilliant touch of French country style to any home or office, portraying not just vistas and exterior images, but the distinctive interior décors and portraits of unique French style that have made the companion French Country Diary so successful and cherished. Each of the 12 exquisite calendar photographs by Guy Bouchet offers an intimate vignette of the French countryside, including interiors of inspiring country homes, lush gardens, picturesque villages, and inspiring landscapes. Among the spectacular locations visited in this debut 2014 edition are the russet-hued Provençal village of Roussillon at sunset; the private topiary gardens of Chateau Berzé-le-Chatel in Burgundy; the butter-yellow dining room of a stone farmhouse in Eygalières; Deauville's exclusive beach with its neat rows of red, blue, and yellow parasols; and the 18th-century-inspired salon of Avignon's Hotel La Mirande, rich with autumn-toned fabrics and period furniture. Below each photograph is an elegant calendar page colorfully detailed with vintage typography and ample daily squares for inscribing appointments, with generous space for writing notes at the bottom of each page.
