The listen-and-match game that makes learning fun!

Hear & Go Seek Everyday Sounds is the fun, easy way for young learners to develop important early literacy and listening skills! Players listen carefully to the CD for familiar sounds that are commonly heard every day. If the objects making those sounds correctly match the objects pictured on their game boards, players place game pieces on the matching pictures. The first player to fill his or her game board wins!

It also improves observation and short-term memory, while helping children develop listening, visual discrimination, and critical thinking skills.
