Anna James is single again, finally. In her opinion, men will never love her for who she is, a beautiful, plus-sized woman.Well, except for the fantasy man that she meets in her dreams every night for the last five years.

She just never expected her fantasy to be a real live alpha shifter...

Cade Le Beau isn't what he seems. He's a billionaire wolf. A Shifter. He laments his missed chance six months ago to meet his fantasy woman in the flesh. Just as his second chance presents itself, his fantasy woman, his mate, is threatened by the local mob boss and her ex-husband. Now, he has forty-eight hours to deal with this threat once and for all or chance losing her again.

Is it Anna who's in danger, or the humans who unwittingly threaten her?

The heat is on the moment they lay eyes on each other. Neither age, children, horrid ex-husbands, nor mob bosses will stop this love affair.

Welcome to New Orleans, where every myth and scary story you were ever told is real. A place where the things that go bump in the night, or daytime for that matter, are friendly. For the most part.

Take a good look at your neighbor, the person sitting beside you at the bar, or your coworker. Are you sure they're human?

NOTE: A complete novel. No cliffhanger. Dual POV. This is an adult paranormal romance with erotic content. The series centers on New Orleans Billionaire Wolf Shifters with plus sized BBW mates. It also includes vampires, voodoo priestess, a Marine, and magic. These are stand-alone books that create a series. They do not need to be read in order. Of course, the story is richer if the books are read in order.
