Ol' Blue Eyes (Great American Orators; 26) Leonard Mustazza

This reference work details Frank Sinatra's extensive creative accomplishments and includes biographical information as it relates to his art. A valuable tool for researchers and fans, this book provides access to extensive data, collected from disparate sources, including the first published listing of Internet resources. The information is divided into three parts, each arranged alphabetically, and covers his music, film, radio, and television appearances, and his concerts and humanitarian contributions. A thorough bibliography provides important information on locating additional resources.

The only American performer to span seven decades of recording (1930s-1990s), Sinatra is regarded as an American icon. The wealth of information in this reference attests to Sinatra's well-earned reputation as an American musical legend. This reference aptly includes information not only about his creative endeavors but about his humanitarian efforts as well. Because Sinatra is recognized and admired for his musical talent, a large portion of this reference is devoted to his songs and recordings. The alphabetical arrangements of song entries includes information on the songs, record labels, arrangers, and recording dates. Three appendices at the end of the volume provide additional information about the recordings. The encyclopedia concludes with the many awards and honors bestowed upon Sinatra.
