Reincarnation Through Common Sense Doug "Ten" Rose
Albert Einstein said, "Once you accept the universe as being something expanding into an infinite nothing which is something, wearing stripes with plaid is easy." Reincarnation Through Common Sense is a book of stripes and plaid in the most entertaining sense of Einstein’s words. Westerners have written many books about living in Asian temples. None are like this true story. The rural Buddhist Monks and Nuns of a forest temple in Asia adopt a troubled traveler from Brooklyn, New York. He can’t speak the language. No one there speaks English. He is penniless, with no ticket home. He is also very hung over, slightly suicidal, amusingly psychotic, and has no intention of studying spiritual discipline. This author is not a theology student! He is nonetheless given access to the ancient roots and spiritual wings of the Wisdom Professionals who rescue him. He redefines life and reports the details to us in a manner so intimate and natural that you’ll think you are having coffee on a barstool in the temple with him. You may laugh a lot on your way to Nirvana. You may say “Ouch!” a few times, too. _____ MAGIC IS REDEFINED AS OBJECTIVE REALITY AND COMMON SENSE. Spirit is presented as a functional friend, without the fairy dust. Moods run from adventurous psychosis to enlightened bliss. Writing styles flow from ancient prose through razor sharp modern internal rhyme as the main character’s life flows through death and into reincarnation without ever leaving his body. He describes this process to us in vivid detail and living color. This down to earth treatment gives a clear view in simple terms of truths we more often see fossilized within rusting symbols beneath stagnant metaphor. Buy and read a copy of Reincarnation Through Common Sense for an experience unique in comedic drama, spirituality, adventure, and sheer creativity.
