The Last Operative Jerry B. Jenkins
Jordan Kirkwood wants to go quietly into the sunset. His career as an NSA intelligence officer has taken a significant toll. His two adult children are little more than distant acquaintances. His wife has been patient and supportive, but he knows she has deserved better. That was part of the reason they were going to London. He wanted her to see Europe like a tourist. But that was before he was given intelligence information during the recent mission to Germany. The threat is grave?bigger than 9/11. And the risk is compounded by the fact that someone inside the NSA is involved. The most hidden place in Kirkwood’s past will have to be unmasked in order to meet the challenges of this mission.
