Hello everyone, My friend Kahn & I have decided to release our latest Minecraft handbook. We thought of covering the primary things needed for fellow Minecrafters who are new to the game as well adept. We consider this the ultimate Minecraft handbook as in depth step by step instructions are included in many of the tutorials along with pictures. Many Minecraft potions are included within this book showing you the reagents & instructions needed. Whether if you have been playing this game for some time, there will still be some Minecraft secrets you will discover. This Minecraft Guide goes through very specific instructions of shelter & furniture creation, showing what is needed along with the outcome. Some shelter designs within this book contain the Desert temple, Micro mansion, Mushroom tower, and many more. We understand that Minecraft survival can sometimes be challenging therefore we decided to include information on brewing (equipment, formula’s, etc), enchanting (methods, anvil combinations, etc), and mining. We have given information on the types or ores all the way to where to find them and the precautions to take. A huge inspiration to us has been author Minecraft Steve, we know many people who play Minecraft but not everyone who will write a book about it as well. Within the book’s first few pages, you will find instructions on how to obtain our exclusive unreleased Minecraft Diary: Minecraft Diary of Chester the Dark Knight.
