What I Thought I Knew: A Memoir

Alice Eve Cohen

What I Thought I Knew: A Memoir Alice Eve Cohen
A personal and medical odyssey beyond anything most women would believe possible
At age forty-four, Alice Eve Cohen was happy for the first time in years. After a difficult divorce, she was engaged to an inspiring man, joyfully raising her adopted daughter, and her career was blossoming. Alice tells her fianc? that she's never been happier. And then the stomach pains begin.
In her unflinchingly honest and ruefully witty voice, Alice nimbly carries us through her metamorphosis from a woman who has come to terms with infertility to one who struggles to love a heartbeat found in her womb - six months into a high-risk pregnancy.
"What I Thought I Knew" is a page-turner filled with vivid characters, humor, and many surprises and twists of fate. With the suspense of a thriller and the intimacy of a diary, Cohen describes her unexpected journey through doubt, a broken medical system, and the hotly contested terrain of motherhood and family in today's society. Timely and compelling, "What I Thought I Knew" will capture readers of memoirs such as "Eat, Pray, Love"; "The Glass Castle"; and "A Three Dog Life."
