All Washed Up and Nowhere to Run Rosamund Snow
One Moment. One mistake changes her life forever... When a horrific event turns a holiday of a lifetime into a nightmare, Lara Adams finds herself stranded on a remote tropical island. Much to her surprise, she joins three shipwrecked men who have already been desperately awaiting rescue for over 15 years. One of the men proves to be something of a distraction from the beautiful, but unforgiving environment where everyday is a struggle for survival. He is handsome, charming and intelligent, but also bitter and angry thanks to so long on the island. Lara initially clashes with this particular member of their tiny island community. But as they are forced to live alongside one another as fellow castaways, she starts to see another side to his personality and finds herself increasingly drawn to him...Lara tries to ignore her growing attraction to him, but finds it hard to avoid since on the island there really is nowhere to run... Will she and the others find rescue? Or will she be doomed to live a life she never could have imagined, thousands of miles from everything she has ever known? Will she find love in the most unforeseen of circumstances? Download your copy of All Washed Up and Nowhere to Run now and find out... All Washed Up and Nowhere to Run is a compelling story of unexpected love, friendship and redemption set against a stunningly beautiful, but dangerous backdrop. What people are saying about All Washed Up and Nowhere to Run: “...Page-turning escapism...” “...A modern and gripping story of romance and a daily struggle for survival on a seemingly-idyllic tropical island...” "...Immersive summer reading..." “...A thrilling tale of adventure, survival & romance...” “...I could not put it down! I usually read a set number of chapters of a book each day, but with All Washed Up I couldn't just stop at the end of a chapter - I had to keep going. I devoured the whole thing in two sittings. Highly recommended read...” “...A stunning début romantic adventure novel...”

From reader reviews:

Frankie Evans:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make all of them keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to a person is you don't know which you should start with. This All Washed Up and Nowhere to Run is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

Theodore Stewart:

This All Washed Up and Nowhere to Run is great guide for you because the content that is certainly full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having All Washed Up and Nowhere to Run in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world inside ten or fifteen second right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt this?

Joseph Blackwell:

Within this era which is the greater man or who has ability in doing something more are more valuable than other. Do you want to become among it? It is just simple approach to have that. What you need to do is just spending your time not very much but quite enough to experience a look at some books. One of the books in the top checklist in your reading list is usually All Washed Up and Nowhere to Run. This book which can be qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upward and review this guide you can get many advantages.

Lori Gravitt:

What is your hobby? Have you heard that will question when you got pupils? We believe that that issue was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you also know that little person like reading or as looking at become their hobby. You need to know that reading is very important as well as book as to be the point. Book is important thing to increase you knowledge, except your current teacher or lecturer. You discover good news or update about something by book. Many kinds of books that can you go onto be your object. One of them is this All Washed Up and Nowhere to Run.
