Brother Toad and the Giants Charity Becker
Giants are mean and hate everyone; dragonflies are food, not friends; and nobody is as important as the toads. That's what the Wise One says, at least. But one curious little toad, fresh from the pond, asks, "Why?" In fact, he has a lot of questions, so Brother Toad sets off into the Big Wide World, seeking answers. Along the way, however, he finds trouble. . . big trouble. When the giants pollute and destroy his wetlands, it's up to Brother Toad to save his family. With the help of some unlikely friends, Brother Toad learns the truth about the giants, the dragonflies, and the Big Wide World. In the end, he proves that everyone is important, and that even one little toad can make a big difference in the world-he just has to try.
