Great Preaching on Hell: Volume XIV

Great Preaching on Hell: Volume XIV
The greatest Hell preacher of all times was the Lord Jesus. While on earth He spoke only once in describing Heaven--in John 14; In my Father's house are many mansions; but He spoke no less than fourteen distinct times in the Bible describing Hell. God did what He could to warn us of death, judgment and Hell. In view of such warnings, it is disturbing that so few preachers today preach on these terrible truths. We are living in a day when preachers no longer believe in Hell, and consequently, do not preach it from their pulpits. Nonetheless, Hell is a fact. To dodge it will not annihilate it. To ignore it will not erase it. To deny it will not destroy it. Our prayer is that you will heed what you read in this book and go after the lost and warn them of the final abode of Christ-rejectors.
