When you think you'll never fit it, never be whole, love can show you a truth you've never seen. Adal has been abused all of his life. The only person who cared for him was his brother, Steven. Without him, Adal would have been killed long ago. After he and Steven are sent on a mission for their twisted father, they learn they've been pawns in an evil plot all along. And that their father has been slowly killing them, one pill at a time. Steven leaves Adal to seek revenge and secure safety for them in the world. Adal is astounded to find out he has a mate. A halfbreed like him shouldn't have anyone to love, should he? Dorso Rodriguez doesn't know what hit him, literally or figuratively. A fun-loving guy, he wakes up with a knot on his head and a strange, sexy, scarred man who's scared and defiant and intriguing. Together they embark on a journey to defeat the demons from Adal's past.
