Study Guide to accompany Macroeconomics Bradford DeLong
Prepared by Martha Olney of the University of California, Berkeley, each chapter in this guide begins with an overview and is followed by a set of matching exercises and multiple-choice questions under Basic Definitions. These are followed by one set of exercises for students to undertake the Manipulation of Concepts and Models and a second set for the Applying the Concepts and Models. This is followed by some problems for Explaining the Real World and a set of questions under the heading Possibilities to Ponder. Finally, answers and solutions are provided for all exercises and problems.
