It is not always a standardized “test” that determines how successful you will be in college or in life. In reality, there are many different keys to unlock your success. One of the main components that students and non-students struggle with is Time Management in a world of distractions. That is where this book comes in! Written like a talk given by an older sibling, Adetokunbo A. Adeshile, imparts his knowledge of time management. He draws from his experience working with student leaders from traditional and non-traditional ages and his own challenges as a first generation college student. He combines these experiences with hard earned skills developed through event planning and leadership cultivation for colleges. If your in need of some guidance before going to college, are in the midst and getting a little lost, or not even in college but would value a strong framework to work from, this is the book for you.
