Mr. Greg Nelson

WINNING the LOTTERY: The How To Win the Lottery Manual Where Mathematics Meets Common Sense Mr. Greg Nelson
You'll enjoy this one-of-a-kind Interactive Cover. . .Showing two of my winning lottery tickets, side-by-side, in the background! The cover designers did a great job of an "artist rendition" without violating copyright laws in order to show these "actual" winning ticket histories. So, do this exercise next. . .Since I did say "Interactive.!" On the cover, underneath the word "meets" you'll see the numbers 07 16 29 32 and 37. When you check below that column you'll see the date MON JUL 28 2008. Now go to your favorite lottery results website and look up the Texas Lottery Cash Five game for that date. . .and you'll find I matched 07 16 29, and 37 for $126! Now do the same for the ticket on the right, just underneath the word "sense" and you'll find 01 12 18 27 and 32, which, for the date below of MON SEP 15 2008, I matched 12, 18, 27, and 32 for $315! . . .In both cases, only one number away from the top prize amount...over $14,000! Finally, this is the lottery manual revealing easy-to-understand math for simplifying your life while you chase your dreams of winning the "big one." Instead of wrestling with costly "systems," doesn't "easier" make more sense? You'll enjoy learning three proven methods to at least beat "quick picks" by two-to-one, guaranteed. Create and use the same easy-to-fill-out forms that I've used to win $1100 once, $600 twice, and $40 so many times I've lost count! Here are some email comments I've received. . . ". . . I do believe that ur book is great. Thank you so much for a book like this." ". . .Your book has been a big help with understanding the lottery." ". . .I read your book this past Sunday, then used your most basic method on a 5 ball game and hit 4 out of 5 numbers! So, thank you for helping me become $300 richer!!" ". . .Thank you for your most informative book. I enjoyed it." ". . .Your exercises in the mathematics of randomness are fascinating.I am of the old school, and although I read a lot of books on my Kindle, I still enjoy marking and underlining! Thanks so much." Free Bonuses!. . . . . .Include a free emailed PDF copy of this book, since it's somewhat technical in nature, and free emailed "live" supporting forms, etc., that I mentioned above! Find out today how to improve your lottery-playing life forever by putting your efforts on auto-pilot, so the rest of your "real" life is much more enjoyable!
