Crossing America Wayne Lasner
A Must read, adventure. This is the ideal backdrop for an improbable and quite eclectic group of seven young men and women from wildly diverse backgrounds, whose gathering was strictly a matter of random fate..... Kismet, you might say. Follow along as they share an exciting, once-in-a- lifetime adventure together, along the historic remnants of the old Route 66. Come along for the ride and witness what they discover about life, love, relationships, and themselves, as they spend their spring vacation together in the limited confines of their rented motor home. Written by the esteemed author who penned the Jack Owens trilogy of thrillers.
