J.A. Kazimer

Curses! A Fked-Up Fairy Tale** J.A. Kazimer
Definitely *not for baby's bedtime reading, this hilarious and irreverent take on classic fairytales--think Shrek for grownups--combines humor, mystery, and characters only a fairy godmother could love...*

When Cinderella is run over by a New Never City bus, her not-so-ugly stepsister, Asia, suspects murder. So she hires RJ, a private eye, to investigate. Little does she know RJ is actually a villain on mental health leave from the Villain's Union. Cursed with an inability to say no to damsels in distress, RJ travels to the Kingdom of Maldetto, meets the rest of Cinderella's family--including her fiancé, the flamboyant Prince Charming, Cinderella's crazy stepmother, and a seriously twisted version of Hansel and Gretel--and dodges bullets, explosions, fires, and his own ex-wife to slip his own version of glass handcuffs on the wrists that fit. All while falling for Asia, who has a curse of her own to deal with...

*Fabulous, frolicsome, and delightfully F***ed-Up, Kazimer's debut is a thoroughly fun read. - Nicole Peeler, author of the True Jane Series.*

Forget everything you know about Cinderella and her sisters. J.A. Kazimer sets the record straight with wit, humor and a hell of an imagination! - Jeanne C. Stein, National Bestselling Author of The Anna Strong Vampire Chronicles

*"More than f*cked up. Demented. Hilarious. Kazimer is going to warp a lot of minds and they're going to thank her." - Mario Acevedo, author of Werewolf Smackdown?*
