I Dreamed of Africa: Tie In Edition Kuki Gallmann
At the age of twenty-five, **Kuki Gallman**, divorced and badly injured in a devastating car accident, left Italy to convalesce in Africa with the man who would become her second husband. Enchanted by the land, they established a vast ranch on the Laikipia plateau in Kenya. But Africa's splendor came with a price. Filled with pain and joy, beauty and drama, Gallman's haunting memoir "captures perfectly the magic of Kenya" (**The New York TImes Book Review**).
