Knitting Nature: 39 Designs Inspired by Patterns in Nature Norah Gaughan

Written by Norah Gaughan, one of the most innovative and respected knitwear designers working today, *Knitting Nature* was an instant classic when it was released in hardcover in 2006, and it is now available at a must-have paperback price.

In *Knitting Nature*, Gaughan blends together the natural and artistic world with 39 stunning, fun-to-knit designs for women, men, and children. Among them are a skirt patterned after the hexagonal scales nature has used to cover a domed turtle's shell, a jacket whose collar grows in a spiral—much the same way a ram's horn does—and a tank top with leaves that grow the same way they do on a stem.

Also available from Norah Gaughan: *Norah Gaughan's Knitted Cable Sourcebook*, *Comfort Knitting & Crochet: Babies & Toddlers*, and *Comfort Knitting & Crochet: Afghans*.
