NOTE: Before purchasing, check with your instructor to ensure you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a **Course ID**, which your instructor will provide.

Used books, rentals, and purchases made outside of Pearson
If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For courses in American Government
This package includes MyPoliSciLab®

Examine how American democracy is developing
The Struggle for Democracy offers students the tools they need to critically analyze our political system and make judgments about how well our government works. Taking a fresh approach to common American government topics, authors Edward Greenberg and Benjamin Page provide an analytical framework for understanding how politics and government work, and encourage students to consider the questions “How democratic are we?” and “Can government do anything well?” In order to boost student engagement with key concepts, the 2014 Elections and Updates Edition incorporates coverage of contemporary issues that dominate today’s headlines, as well as the most up-to-date data.

Enhance learning with MyPoliSciLab
MyPoliSciLab for the American Government course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they’ve learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyPoliSciLab does not include an eText.
